RETAGAYA
R No. 233

Japanese garden scene.

During 1962 Japan expects to import over \$30.5 billion in goods and materials.

Yesterday we were discussing how glad we were that STEEL INTERNATIONAL is coming to Japan and the Far East. We are anxious to learn from this American publication. We are equally anxious to be informed on available American equipment.

Hi- We are in
the northern part of Japan.
This is the hotel we are
staying in + from this
cliff you look in the direction
of not too far Siberia.
Regards - *Stanley Gorge*
