米國行

129-TS includes: Sendai, Japan.
My three months of teaching,
has lots of fun and I am writing
to get back to it, but because of
the awful earthquake & human
distress in consequence, we must
stay here for some time, at least
a while longer. I hope things are
going well with you. With all good
wishes affectionately,
Margaret Rabold
Sept. 11, 1923.
