Sweep away tuberculosis from our Ryukyu Islands. Sales of the Christmas Seals help us to drive T.B. away. Please use T.B. seals with your Christmas and New Year's Greeting Cards and extend your voice of encouragement to eradicate T.B. from every corner of the world.

Sales begin September 1, 1962 and end December 31, 1962. You may purchase them at mayors' offices, schools, hospitals and department stores.

One sheet of twelve seals costs only twenty cents.
