

POST CARD

He! guide,

Tokyo, Japan

Oct 27/56

Yes, I am a far way from home on this trip and it will be much before I get back and am going to complete a trip around the world. Am having a wonderful time here, lots of new sights and lots of good food. It is all very interesting. I trust you are both keeping well. Weather here about the same as at home. Best wishes, Dean W. Hall
